

To Dr. Cristian Gologan

Rome, February 27, 2026

Dear Dr. Gologan Cristian,

It is with great pleasure that we invite you to participate in the 12th International ARTOI Congress and 2nd SIO Europe Congress which will be held in Rome from May 8-10, 2026.

This important event represents a unique opportunity for exchange and sharing among the leading European and Middle Eastern experts in the field of integrative oncology.

On behalf of the Co-Presidents of the 2nd SIO Europe 2026 Congress, we are delighted to cordially invite you to attend the SIO Europe Leadership Meeting, taking place in Rome, Italy, 7th May 2026, and to speak during the conference scheduled on May 8-10.

The SIO Europe 2026 conference is entitled ‘From ancient Wisdom to Modern Integration’ and will include many important topics in integrative oncology across the cancer care continuum.

We will be delighted if you will be able to present your perspective about Hyperthermia in Cancer during the following session:

- **HYPERTHERMIA IN ONCOLOGY: Locoregional hyperthermia: updates and opportunities in the care of cancer patients** - Moderators: Giammaria Fiorentini, Massimo Bonucci – **Saturday 9, May 2026**, from 11.45 am.
- **Title of your speech (15 minutes): The White Paper of Locoregional Hyperthermia in Oncology: Level 1A Evidence, Standards of Practice, Recommendations and Implementation with anti-cancer treatments**

As the President of the Organizing Committee, we may offer reduced conference registration costs (by choosing the “SIO/ARTOI members’s fee”) and a modest accommodation in the university hosting the conference. Unfortunately, the limited conference budget will not cover flight and travel costs.

We hope you will be able to participate in this inspiring event and hope to receive your reply as soon as possible.

Looking forward to your kind response, we send you our warmest regards.

Prof. Massimo Bonucci

President of the Organizing Committee

12th International ARTOI Congress and 2nd SIO Europe Congress
